

EnGlitz 2016!! A show by class II kids.

Can class II children teach us English?? YES, yes they can.

Visiting each section of standard 1 today was a wonderful experience!!

GRAMMAR had a wonderful ring to it.... the children enjoyed explaining and we enjoyed listening to them.

It was an extraordinary display of pictures and models.

Present, Past and Future tense was explained through drama and song.

So much fun with learning... -these are the techniques to be followed with everyday classroom activities. A GREAT ENGLISH EXPO!
