

## 'ENG' LIGHTEN' 2015 - TAKING ENGLISH LANGUAGE TO A WHOLE NEW LEVEL !

As an evidence to the fact that Everwin is synonymous with English Language, Kindergarten kids of Everwin Matric managed to throw a show that brought to limelight the importance of the language in a very unique way.

This show was conducted as a part of 'My English My Pride' Campaign. Contrary to the fact that KG kids cannot spell out/ pronounce tough words, our Everwin kids, with intensive practice given by teachers, nailed it with stunning ease!

The salient features of the show are Timeline of English, Parts of Speech, Literary Genre, Fun with words and Idioms & Phrases.
